WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Stewartstown, in the County of Coos, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town of Stewartstown on Tuesday the 8th day of March next, at seven (7) o'clock in the evening, to act upon the following subjects:

Article:

1. To see if the Town will vote to give the Selectmen authority to appoint all necessary Town Officers not elected by ballot.
2. To see if the Town will vote to accept the budget made up by the Budget Committee and to raise money for the same. If not, to see what sum of money the Town will vote to raise to defray town charges for the ensuing year as follows:

(a)	Town Officers Salaries	\$11,970.00
(b)	Town Officers Expenses	8,000.00
(c)	Election and Registration Expenses	1,400.00
(d)	Cemeteries	3,000.00
(e)	General Government Buildings	2,150.00
(f)	Legal Expenses	1,500.00
(g)	Advertising and Regional Assoc.	1,400.00
(h)	Police Dept.	7,000.00
(i)	Fire Dept.	8,500.00
(j)	Emergency Radio Communications	990.00
(k)	Summer Road Maintenance	12,000.00
(l)	Winter Road Maintenance	45,000.00
(m)	Street Lighting	7,800.00
(n)	Highway Block Grant	53,752.00
(o)	General Highway Dept. Expenses	12,000.00
(p)	Diamond Pond Road Maintenance	4,275.00
(q)	Solid Waste Disposal	24,282.00
(r)	Health Dept.	200.00
(s)	Upper Conn. Valley Hospital	950.00
(t)	Ambulance District A-1	950.00
(u)	Vital Statistics	50.00
(v)	Upper Conn. Valley Mental Health	750.00
(w)	Vershire Center	250.00
(x)	Northern Coos Comm. Health Assoc.	2,500.00
(y)	General Assistance (Town Poor)	2,500.00
(z)	Community Action Program	650.00

(aa)	Library	550.00
(bb)	Parks and Recreation	600.00
(cc)	Patriotic Purposes	350.00
(dd)	Principal on Long Term Bonds	10,696.00
(ee)	Interest Expense-Long Term Bonds	22,144.00
(ff)	Interest Expense-Temporary Loans	1,000.00
(gg)	Canaan Bonds Per I.M.A.	5,800.00
(hh)	Cemetery Improvements	1,500.00
(ii)	Reappraisal of Property	58,000.00
(jj)	Town Office Building Capital Res. Acct.	10,000.00
(kk)	Municipal Sewer Dept.	53,326.00
(ll)	Insurance	9,000.00
(mm)	Town Hall Capital Reserve	5,000.00
(nn)	New Septic Dump Facility	40,000.00
(oo)	Town Record Books Refinished	1,600.00

Total Budget Recommended by the Budget Committee	\$433,385.00
---	--------------

3. To see if the Town will vote to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. (By Petition)
4. To see if the Town will authorize the Selectmen to sell the lands owned by the Town at Diamond Pond in whatever commercially reasonable manner as the Selectmen may decide and the net proceeds received from such sales shall be held perpetually in trust, in accord with RSA 31:19-a, and that the income from such trust shall be expended annually by applying same against annual appropriations, excepting summer and winter road maintenance and general Highway Department expenses.
5. To see if the Town will vote to hire a private appraisal firm to conduct a complete revaluation of the Town in 1988 (the Department of Revenue Administration will not be able to do such work before 1990, if then).
6. To see if the Town will vote to change the purpose of the Capital Reserve Fund for revaluation so that monies in such fund can be expended in payment to a private appraisal firm, rather than to the Appraisal Division of the Department of Revenue Administration.
7. To see if the Town will vote to raise and appropriate the sum of \$58,000.00 for the revaluation of the Town and to authorize the selectmen to withdraw all monies in the Capital Reserve Fund for revaluation and apply same against the sum to be appropriated under this Article.

8. To see if the Town will vote to authorize for, accept and expend such Federal, State or other governmental unit or private source of funding which becomes available during the year in accordance with RSA 31:95B.
9. To see if the Town will vote to authorize the Selectmen to incur debts for temporary loans in anticipation of taxes of the municipal year and pay out of the tax monies when received.
10. To transact any other business that may legally be brought before this meeting.

Given under our hands and seals this 16th day of February,
in the year of our Lord, Nineteen Hundred and Eighty-eight.

Alarms going off in town	8
Stolen car	2
Bad checks	4
Prowlers around buildings	7
Loud music in town	15
Total Calls	212

DWIGHT DWINELL
Police Officer

NORTH COUNTRY COUNCIL

ANNUAL REPORT

North Country Council was extremely busy in 1987 as it continued to provide a wide range of assistance to North Country communities.

As a regional non-profit, public agency chartered under NH RSA 36:45, the Council is responsible for assisting its member communities in local town planning, regional planning, economic development and numerous other community services. In addition to the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues with the state and federal governments.

The North Country is experiencing tremendous growth and development pressures. The Council is dedicated to assisting towns with the impacts associated with these pressures. In order to more efficiently serve its membership, the Council has assigned a staff person to respond to each town's request for assistance. In this way, continuity between the town and the Council is ensured and the overall effectiveness of the Council is increased.

In STEWARTSTOWN, the Council continued work on the Community Development Block Grant Housing Program. NCC provided several interested residents with information on planning boards, master plans and subdivision regulations. The Council also provided Stewartstown with tax billing services.

The Council again provided information and guidance to many towns on federal and state grant and loan programs. This past year the Council administered over \$6.7 million in Community Development Block Grant funds in fifteen communities. The funds were used for housing rehabilitation, downtown revitalization, public facility improvements, business revolving loans, and feasibility studies for housing rehabilitation and public facility improvements.

The Council has taken an active role in addressing the affordable housing issue in cooperation with member communities. The Council is presently administering a regional housing rehabilitation program which is making 358 housing units available to eligible North Country residents.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or one-time basis for subdivision and site plan applications.

The Council sponsored four industrial development workshops for local economic officials. The workshops provided information on business recruitment, marketing and working cooperatively with federal and state officials to promote community economic development.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered local planning board procedures, administration and enforcement of ordinances, growth management and review of recent court cases and state law changes regarding local land use planning.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

STEWARTSTOWN SCHOOL DISTRICT

W A R R A N T

The State of New Hampshire

To the Inhabitants of the School District in the Town of Stewartstown qualified to vote in district affairs:

You are hereby notified to meet at the Hollow School in said District on Monday, the 7th day of March, 1988, at 7:30 o'clock in the evening to act upon the following subjects:

1. To determine the salaries of the School Board and fix the compensation of any other officers or agents of the District.
2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
3. To see if the District will vote to authorize the School Board to include in the S A U #7 budget the position of Coordinator of Special Services and Secretary per RSA 189:47-a; to be effective July 1, 1989.
4. To see if the District will vote to authorize the School Board to include in the S A U #7 budget the position of School Psychologist, per RSA 189:47-a; to be effective July 1, 1989.
5. To see if the District will vote to raise and appropriate the sum of \$25,000.00 to purchase a new school bus and authorize the withdrawal of \$16,000.00 from the Capital Reserve Fund created for that purpose. The balance of \$9,000.00 to come from general taxation; and to designate the School Board as agent to expend. (Recommended by Budget Committee)

6. To see if the District will vote to adopt the provisions of RSA 198:20-b to authorize the school board to apply for, accept, and expend, without further action by the school district meeting, money from any source which becomes available during the fiscal year; provided further that:
 - I. Such money shall be used for legal purposes for which a School District may appropriate money.
 - II. The school board shall be required to hold a prior public hearing on any action to be taken regarding expenditures of such money.
 - III. Such action shall not require the expenditures of other School District funds, and shall
 - IV. Be exempt from all provisions of RSA 32 relative to limitation and expenditure of school district moneys.
7. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.
8. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries of the School District Officials and Agents, and for the payment of the statutory obligations of the District.
9. To transact any other business that may legally come before this meeting.

Given under our hands at said Stewartstown the 12th day of February, 1988.

IOLA BOIRE, Chairman
LONDON L. PLACEY
LARRY W. LADD

A true copy of warrant - attest:

LONDON L. PLACEY

PROCEEDINGS OF SCHOOL DISTRICT MEETING
March 9, 1987
The School District of Stewartstown
County of Coos
State of New Hampshire

The meeting was called to order by the moderator at 7:30 pm. The warrant was read in its entirety. Approximately 45 people were in attendance.

ARTICLE 1. Larry Ladd moved that the salaries of the officers and fixed compensation of any other officers or agents of the district be the same as printed in the town report. This was seconded by Carol Alward and voted in the affirmative.

ARTICLE 2. Landon Placey moved that the reports of the agents, auditors, committees or officers as set forth in the annual report of the district be accepted and placed on file. It was seconded by Norman Brooks and voted in the affirmative.

ARTICLE 3. Larry Ladd moved that the voters authorize the school board to contract for annual audits with independent public accountants from outside the district as required and mandated and eliminate the need of local indistrict auditors. Carol Alward seconded. After discussion and explanation the vote was in the affirmative.

ARTICLE 4. Larry Ladd moved that the district vote to adopt the provisions of RSA 198:20-b to authorize the school board to apply for, accept, and expend, without further action by the school district meeting, money from any source which becomes available during the fiscal year provided further that:

- I. Such money shall be used for legal purposes for which a school district may appropriate money,
- II. The school board will be required to hold a prior public meeting on any action to be taken regarding expenditures of such money,
- III. Such action shall not require the expenditure of other school district funds, and shall
- IV. Be exempt from all provisions of RSA 32 relative to limitation of school district moneys.

Norman Brooks seconded this motion. Perley Davis explained that excess foundation aid was expected beyond the amount originally anticipated. This article will allow the school board to spend the money on legal school expenditures as long as they hold a public hearing first.

The vote was in the affirmative.

ARTICLE 5. Landon Placey moved that the district vote to amend the action taken under Article 4 of the warrant for the district meeting of March 12, 1984, establishing a capital reserve fund, to comply with RSA 35:1 (II) as amended, by deleting from the language of said article the words "providing a replacement or major repair for the district-owned school buses" and inserting in place thereof the words "acquisition of or replacement of the district-owned school buses" so that the same shall as amended read as follows: "To see if the District will vote to establish a capital reserve fund for the purpose of acquisition of or replacement of the District-owned school buses and to vote said article as amended."

Deborah Lynch seconded the motion. Landon then explained that the original article was in error because the capital reserve fund could not be used for major repairs to a bus. Consequently the money which had been spent this year on motor repairs could not come from the capital reserve fund as originally planned. This fund could only be used to purchase a new bus.

The article was voted in the affirmative.

ARTICLE 6. Larry Ladd moved that the district vote pursuant to RSA 35:15, to name the Stewartstown School Board as agents of the school district to carry out the objects designated by the District by vote under Article 4 of the Warrant for the annual district meeting of March 4, 1984, as amended by the preceding Article. Norman Brooks seconded and the article carried in the affirmative without discussion.

ARTICLE 7. Larry Ladd moved that the district vote to appropriate the sum of \$3,600.00 to pay into the capital reserve fund established for the purpose of acquisition of or replacement of the district-owned school buses. Norman Brooks seconded and the vote was in the affirmative.

ARTICLE 8. Landon Placey moved that the district vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Norman Brooks seconded and the vote was in the affirmative.

ARTICLE 9. Larry Ladd moved that the District raise and appropriate the sum of \$566,547.00 which includes Article 7 for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district and authorize the application against said

appropriation of such sums as are estimated to be raised from state equalization and building aid funds, together with other income, the balance to be raised by taxation. Second was by Norman Brooks.

Perley Davis requested permission of the moderator to explain the budget to the district. The district voted in the affirmative.

ARTICLE 10. To transact any other business which may come before this meeting.

Discussion was had about the two separate schools. The costs sheet which was done for the 1985-86 school year showing per pupil cost for each building was discussed.

Mr. Placey stated that our teachers would not be participating in the curriculum development of the union because the board did not feel it was necessary to expend \$3,000 for the teachers to work four extra days.

Mr. Dennis Joos made the motion "To vote to see that our school board will cooperate with the supervisory union to establish an unified curriculum with the other schools in the district. If any expenses are required, they would come out of the excess foundation aid not already in the budget." Frances Brooks seconded this.

Mr. Davis stated that he would check with Mr. Harrigan to make sure it was legal to vote money in this article. He was quite sure that the passage of Article 4 earlier in the meeting did give the voters the right to approve this motion as long as a public hearing was held before the board spends the money. The article was voted in the affirmative.

The meeting adjourned at 9:50 pm on a motion by Norman Brooks and a second by Larry Ladd. Vote was in the affirmative.

On March 10, 1987, polls were opened by the Moderator at 10:00 am. When the polls were closed at 6:00 pm the following votes were tallied:

Moderator -	Dwight Dwinell	(write ins)
School Board -	Larry W. Ladd	123
	Robert Brooks	115
Treasurer -	Evelyn B. Hunt	205
Clerk -	Evelyn B. Hunt	214

Respectfully submitted,

Evelyn B. Hunt, Clerk

SUPERINTENDENT'S REPORT

There has been a great deal of discussion and publicity pertaining to Minimum Standards for our schools. To meet some of these standards at the high school level the curriculum has had to expand significantly in the past few years.

An approved high school must now offer, as a minimum, the following units of credit (1 unit is equivalent to a full year of course work):

Arts Education (3 units) At least one must be in visual arts and one in music.

Business Education (5 units) Three units in business communication, one in maintaining numerical records, and one unit in basic business and economic education.

Career Education Must be integrated within applicable course offerings.

Computer Education (1/2 unit) This consists of awareness, operation, and programming.

Consumer and Homemaking Education (3 units) Areas of study must include Food and Nutrition, Human Growth and Child Care, Clothing and Textiles, Parenthood Education, Family Living, and Housing.

Driver Education (1/4 unit) 30 hours of classroom instruction and 8 hours of driving.

English Language Arts (6 units) Four units required of all students; two elective units.

Foreign Language (5 units) A three year sequence of one language and a two year sequence of another.

Industrial Arts (4 units) At least one unit from each of the following areas: Energy and Power, Materials and Process Technology, and Visual Communication Technology.

Mathematics (6 units) A sequence of four units for college bound students and a two year sequence for other students.

Physical Education (2 units) Body dynamics, dance, group games, individual sports, outdoor activities, gymnastics, and team sports.

Safety Education Must be integrated within the other course offerings.

Science Education (5 units) Physical Science, Biology, Chemistry, Physics, Earth Science, or Advanced Science.

Social Studies (5 Units) One unit of United States and New Hampshire History and Government: Three units of economics, geography, and world history; one unit from psychology, sociology, anthropology, political science, and philosophy.

Because all districts in S A U #7 are either sending districts or receiving districts, it is noteworthy that RSA 194:23-e states, "In order to be entitled to accept tuition students, a public high school must be approved by the state board of education."

Beginning with the Class of 1989, a graduate must successfully complete a minimum of 19 3/4 units from the 45 units offered as follows:

Art 1/2; Computers 1/2; English 4; Math 2; Science 2 (1 physical, 1 biological); Social Studies 2 1/2; Physical Education 1; Health Education 1/4; 3 units from at least two of the following areas: Art, Foreign Language, Practical Arts, or Vocational Education; 4 units from other electives.

School programs must also offer extra-curricular activities plus the necessary support services such as administration, guidance, special education, nurse, library, school lunch, and custodial services.

Looking at existing facilities it is clear that, overall, student enrollments do not present an immediate problem. However, to accommodate the required programs makes it necessary to refurbish areas in existing facilities and also to expand. Our schools also must become accessible to the handicapped.

These issues are now being discussed and analyzed by educators and board members. The problems will not disappear and must be addressed. Necessary improvements must be made and they will cost money. School boards have spent many hours studying options and will present their best recommendations for cost effectiveness, yet also what they consider best for educating youngsters on a long range basis.

Final decisions will rest with all of us, as voters. We must stay informed, participate, and vote whenever possible.

Respectfully submitted,

Paul F. Allen
Superintendent of Schools

COORDINATOR OF SPECIAL SERVICES

There were approximately 100 students in special education throughout S A U #7 during the 1986-1987 school year. With very few exceptions, these students were placed within programs in local schools.

Two staff members are working toward certification in special education under a program set up by the State Department - Pool Expansion Plan (P E P). While there is a general teacher shortage, the shortage in special education is at a critical level nationally. School districts in S A U #7 are fortunate to have all positions filled and two individuals dedicated enough to special education to seek appropriate certification to continue in this field.

A Preschool Parent Advisory Committee has been set up. The purpose of this Committee is to meet four times a year with school personnel and all parents of preschool special education students to review special education laws and local processes and procedures. In time, this Advisory Committee should consist of parents of special education students at any grade level. Participation in this committee has provided for better understanding and more positive interaction between home and school.

The tutorial program for vocationally disadvantaged students has been re-established. Students who qualify for and participate in this program have benefited greatly.

The special services program within S A U #7 is one in which I have been able to take great pride because of the dedication of staff members and commitment of school board members. Most importantly, is the educational benefit received by our special education students because of this dedication and commitment.

Respectfully submitted,

Norma G. Chenevert
Coordinator of Special Services

SCHOOL HEALTH REPORT - STEWARTSTOWN

The school nurse is the usual provider of health services in most schools. The principal role of the school nurse is to protect and promote the health of all the students in the school setting. The school health team, consisting of the school nurse and school physician, has worked to achieve that goal.

Dr. David Goodman was our school physician this past year. Some changes were made in our school health program under his direction. Physical exams will no longer be done in grades 4 and 8 as in the past. Parents are encouraged to continue on their own with the well child care of their children. They are requested to submit a copy of any physicals done, as well as any pertinent health problems as they arise, to the school nurse. All transfer students need a physical exam unless they can present proof of having had a physical exam within one year of the transfer date.

The previous screening programs including vision, hearing, height, weight, and scoliosis (grades 5-8) remain the same. We are including annual blood pressure screening in this list. Immunization clinics continue to keep the students needing boosters up to date. Preschool children have access to a DIAL screening program to assess their growth and development. Also available to this age group is the State Preschool Vision and Hearing Clinic held every May. Please call the school nurse if you have any questions concerning these programs.

The nurse wrote a Nutrition Grant which will provide new materials and resources for the teachers and students when dealing with that subject area. We hope to help students make wise decisions about their nutrition as well as develop habits that will result in a healthy lifestyle.

The State Dental Program still provides services to children in all grades in the Stewartstown Schools. We also continue to make use of Special Medical Services in Concord. It was previously known as the Bureau of Crippled Children.

The area school nurses attended workshops on AIDS to become informed and updated. Acquired Immune Deficiency Syndrome (AIDS) was first reported in the U S in May, 1981. As many as two million Americans may be infected with the virus, and that number could approach five million within five years. It is now the leading cause of death among single men ages 15-50. Many of these were infected during their teen years. AIDS is also fast approaching the major cause of death for women ages 15-50, especially in the cities. It has been many years since there has been a major threat to children and adolescents from an infectious disease. Past devastating diseases such as polio, diptheria, and others are no longer such a significant threat, as long as parents continue to keep their children immunized with the available vaccines. Medicine has made great strides in the prevention and management of diseases. However, the AIDS virus does, and will continue to, affect school-aged children and adolescents physically, socially, and emotionally. Education is the only strategy for the prevention of the transmission of the AIDS virus. A Family Life course was begun in grades 7 and 8 at both the West Side School and the Hollow School to address the AIDS issue, along with other health related subjects.

The N H Department of Education requires each child entering school to be completely immunized and to have a physical examination. Immunization requirements remain the same and are as follows:

- | | |
|-------------------|--------------------|
| 1. German Measles | 2. Polio - 4 doses |
| 3. Measles | 4. Mumps |
| 5. DPT - 5 doses | |

As always, we encourage parents to keep in contact with their school nurse if their child has a medical problem.

Respectfully submitted,

Elizabeth vonDohrmann, RN, BSN
Pittsburg/Stewartstown School Nurse

STEWARTSTOWN CHAPTER I

Despite cuts in the federal funding of our Chapter I Program, we had another successful year. This was due in part to the school district contributing local funds. The Chapter I staff and students certainly appreciated the district recognizing the need for this worthwhile program.

Mrs. Betty Raymond continued to work on a one-to-one basis with students in Grades 2 through 6 in the three schools in our district. She worked four days a week and served a total of 17 children. Each child was given pre and post instructional tests so results showed their growth in all areas.

Mrs. Raymond and the other teaching staff in the three schools worked very closely together. A schedule for the students was established in early September and strictly adhered to. Various reading skills were reinforced in conjunction with classroom assignments. For a special interest project each child read, reported, and illustrated two books of their choice.

The Chapter I staff attended local workshops and the State of New Hampshire Chapter I sharing conference in Manchester. This sharing conference gives Chapter I teachers from all over New Hampshire a chance to share teaching methods and ideas. It is most beneficial to the staff.

Federal law doesn't permit Chapter I staff to teach in a parochial school. Through the generosity of Mr. & Mrs. Gilles Lambert, Mrs. Raymond was able to serve the students at St. Albert's by working with them in the Lambert home.

Our sincere thanks to parents who have endeavored to give extra time to work with their children at home as well as the faculties, school board and central office staff.

Respectfully submitted,

Addie E. Gray
Chapter I Director

TRANSMITTAL AND COMMENTARY LETTER

The School Board
Stewartstown School District
10 Bridge Street, P.O. Box 68
Colebrook, New Hampshire 03576

Members of the Board:

We have examined the financial statements of the various funds and account groups of the Stewartstown School District for the year ended June 30, 1987, and have issued our report thereon, dated February 1, 1988. As part of our examination, we reviewed and tested the District's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such evaluation is to establish a basis for reliance thereon in determining the nature, timing and extent of other such auditing procedures that are necessary for expressing an opinion on the financial statements. Such study and evaluation disclosed no material weaknesses.

We extend our thanks to the officials and employees of the Stewartstown School District for their assistance during the course of our audit.

It is our opinion that the Superintendent, Business Administrator and staff are doing an excellent job running the Stewartstown School District.

Very truly yours,

Francis J. Dineen, C.P.A.

FRANCIS J. DINEEN
CERTIFIED PUBLIC ACCOUNTANT

5 MIDDLE STREET - LANCASTER, N.H. 03584

603 788-4638

AUDITORS' REPORT ON FINANCIAL PRESENTATION

To the Board of School Directors
and Voters of the Stewartstown
School District

We have examined the combined financial statements and the combining fund and account groups financial statements of the Stewartstown School District as of and for the year ended June 30, 1987, as listed in the accompanying table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted auditing principles.

In our opinion, except that omission of the Generally Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Stewartstown School District at June 30, 1987 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining fund and account group financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the combined financial statements of the Stewartstown School District. The information has been subjected to the auditing procedures applied in the examination of the combined financial statements and, in our opinion, is stated fairly in all material respects in relation to the combined financial statements taken as a whole.

Very truly yours,

Francis J. Dineen, C.P.A.

February 1, 1988

SCHOOL ADMINISTRATIVE UNIT #7

In accordance with the laws of 1961, Chapter 189, Section 48, breakdown of the total amount paid to the Superintendent and Business Administrator by the State and Respective School Districts is as follows:
